## Section F: Primary Contacts Authorization

Authorizations ensure that both sponsors are aware of, and interested in, pursuing the described activities. By submitting their authorizations, the host and international primary contacts agree to the criteria listed and affirm their support of the activities.

All Rotary clubs, districts, and Rotarians involved in these activities are responsible to The Rotary Foundation (TRF) for the conduct of the activities and the subsequent reporting. The signatures of all involved parties confirm that they understand and accept responsibility for the activities. Parties may either sign this page or submit a separate letter of commitment.

1. All information contained in this application is, to the best of our knowledge, true and accurate, and we intend to implement the activities as presented in this application.
2. The club/district agrees to undertake these activities as a club/district
3. We ensure all cash contributions (as detailed in the Global Grant Financing) will be forwarded to TRF or sent directly to the Global Grant account after Trustee approval of the grant.
4. RI and TRF may use information contained in this application to promote the activities by various means such as The Rotarian, the RI international convention, RVM: The Rotarian Video Magazine, etc.
5. The sponsors agree to share information on best practices when asked, and TRF may provide sponsors' contact information to other Rotarians who may wish advice on implementing similar activities.

6. To the best of my knowledge and belief, except as disclosed herewith, neither I nor any person with whom I have or had a personal or business relationship is engaged, or intends to engage, in benefiting from TRF grant funds or has any interest that may represent a potential competing or conflicting interest. A conflict of interest is defined as a situation in which a Rotarian, in relationship to an outside organization, is in a position to influence the spending of TRF grant funds, or influence decisions in ways that could lead directly or indirectly to financial gain for the Rotarian, a business colleague, or his or her family, or give improper advantage to others to the detriment of TRF.
