Re:- Rotary Home Exchange Fellowship

Following emailing my last note to you a few days ago it has become apparent from responses from our test sample group that some Rotarians may not have been able to open this item and for this reason I am reformatting this and sending again.

***Knowing that many Districts have already done so I would like to ask you to request your District Webmaster to provide a direct link between your District webpage and the Rotary Home Exchange Fellowship website at [www.RotaryHomeExchange.com](http://www.RotaryHomeExchange.com)***

*The Rotary Home Exchange Fellowship (Established 1977)  
provides numerous opportunities for travel and Fellowship.*
